Re: Request for the Withdrawal of the Penta Creek Permit Change Application Submittal of June 7, 2004, West Ridge Mine, C/007/0041

Dear Sirs,

WEST RIDGE Resources, Inc. is requesting a withdrawal of the permit change application submitted on June 7, 2004 to add certain Penta Creek areas adjacent to the Grassy Trail Reservoir to the permit. A new submittal to allow only development of the gate entries to the bleeder entries will be submitted in the future.

Call me at 435-888-4015, or Dave Shaver at 435-888-4017, if you have any questions.

Sincerely

Gary E. Gray
Agent/Engineer
